Classic steel design

The epoxy coated steel frames are available in four different colours so interiors merge with drawers to create a harmonious entity.

Silk white matt

Indium grey matt

Orion grey matt

Carbon black matt

Tennessee walnut

Elegant wood design

The frames are a combination of steel and wood décors. There are three luxurious options to choose from, allowing you to introduce contrasts to furniture interiors.

Practical function – versatile in application

AMBIA-LINE gives you the freedom to tailor interiors to your requirements and to every type of storage item. The frames have been designed for immediate use. They fit into every drawer and are suitable for all living areas.

Elegant design

The minimalist design of AMBIA-LINE goes perfectly with the clean lines of LEGRABOX and MERIVOBOX.

Tailored to contents

The flexible cross dividers can be easily adjusted to the contents.

Easy handling

The frames can be positioned wherever required. A magnet for attachment to the back and anti-slip feet provide a secure hold.

Blum's practical solutions for your home

Kitchens that are fit for everyday use are not only beautiful but also practical.

They have the following features:

– Efficient workflow (ergonomics)
– Optimum space utilisation (storage space)
– Enhanced convenience (motion)
– Freedom for your ideas (design)

Blum helps to enhance your home with innovative fittings, clever cabinet solutions and useful expertise on kitchen planning.

Ergonomics

Everything is easy to access and clearly organised.

Storage space

Make full use of the storage space available.

Motion

It's easy to open and close furniture.

Design

Turn your creative ideas into reality.
