**Ideas by Blum:
Practical solutions
for your home**

Kitchens that are fit for everyday use are not only beautiful but also practical.

They have the following features:

- Efficient workflow (ergonomics)
- Optimum space utilisation (storage space)
- Enhanced convenience (motion)
- Freedom for your ideas (design)

Blum helps to enhance your home with innovative fittings, clever cabinet solutions and useful kitchen planning expertise.

Ergonomics

Everything is clearly organised and easily accessed. Smooth workflows are possible in every kitchen. Ask your designer about 'good ergonomics' and make sure everything is within easy reach.

Storage space

Make full use of the storage space available. Frames can be positioned anywhere in the drawer, while magnetic fixing and anti-slip feet provide a secure hold.

Quality of motion

Open and close your furniture with ease. Smooth opening means little resistance and paired with silent and effortless closing, it makes the kitchen a pleasure to work in.

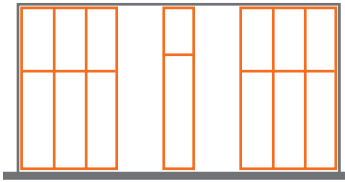

Design

Turn your creative ideas into reality. Why sacrifice design or functionality when you can have both? Tell your designer what your needs and requirements are to ensure your kitchen suits you.

Ideas for your kitchen
and scullery

Steel design
Carbon black matt

AMBIA-LINE for cutlery

- The cutlery insert with a soft touch coating ensures that cutlery barely makes a sound.
- Cutlery inserts and frames can be combined as required.

AMBIA-LINE for cutlery

- The cutlery insert beautifully organises cutlery.
- Image shows cutlery to suit nominal length 550 mm.

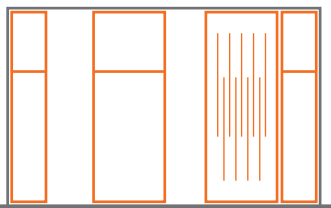

Steel design
Carbon black matt

AMBIA-LINE knife holder

- The knife holder provides tidy and secure storage for up to nine knives.
- High-quality nylon and anti-fingerprint stainless steel keep the cutting edges protected without dulling the blades.

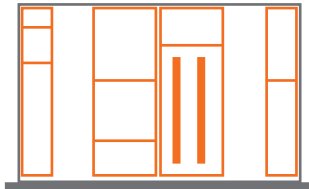

Steel design
Carbon black matt

**AMBIA-LINE for kitchen utensils and
AMBIA-LINE film/foil dispenser**

- Workflows become more efficient with utensils neatly arranged.
- The AMBIA-LINE film/foil dispenser ensures effortless dispensing and a perfect tangle-free cut.

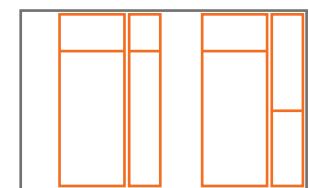

Steel design
Orion grey matt

AMBIA-LINE for cooking utensils

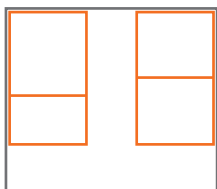

- Wooden spoons, spatulas and whisks are always at your fingertips.
- The cross dividers can be adjusted to the length of the utensils.

Steel design
Carbon black matt

AMBIA-LINE for provisions

- The SPACE TOWER pantry unit keeps jars and tins of all sizes nice and tidy.
- The non-slip AMBIA-LINE frames securely hold open packs of flour, sugar or rice.

Steel design
Carbon black matt

AMBIA-LINE for reusable containers

- Instead of chaos, enjoy organisation and order in the pull-out.
- No more time wasted trying to match the right lid with the right container!

Wood design
Bardolino oak

AMBIA-LINE for cleaning utensils

- The sink pull out makes full use of the often wasted storage space under the sink. Utensils can be clearly organised.
- Washing-up liquid, sponges and brushes are kept exactly where they are needed.

Steel design
Carbon black matt

AMBIA-LINE for waste separation

- Cleaning products are kept secure and separate from rubbish and recycling.
- The cross divider can be adjusted to suit different bottle sizes.

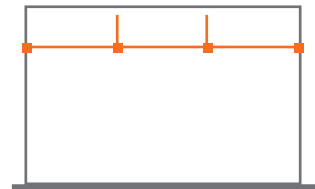

Steel design
Carbon black matt

AMBIA-LINE for pots and lids

- The best place to store cookware is in the pull-out directly under the hob.
- The cross gallery keeps lids upright and within easy reach.

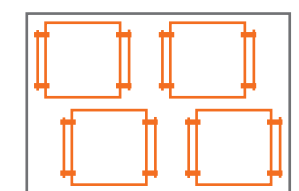

Steel design
Orion grey matt

Blum plate holder

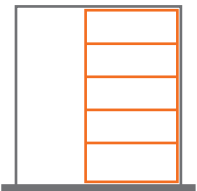

- Up to 12 plates are held securely in pull-outs and can be swiftly carried to the dining table.
- The plate holder can be easily adjusted to different plate sizes.

Steel design
Orion grey matt

AMBIA-LINE for bottles and chopping boards

- Bottles are held securely and are immediately to hand.
- Wider pull-outs provide extra space, e.g. for chopping boards.

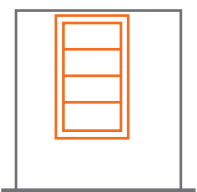

Steel design
Carbon black matt

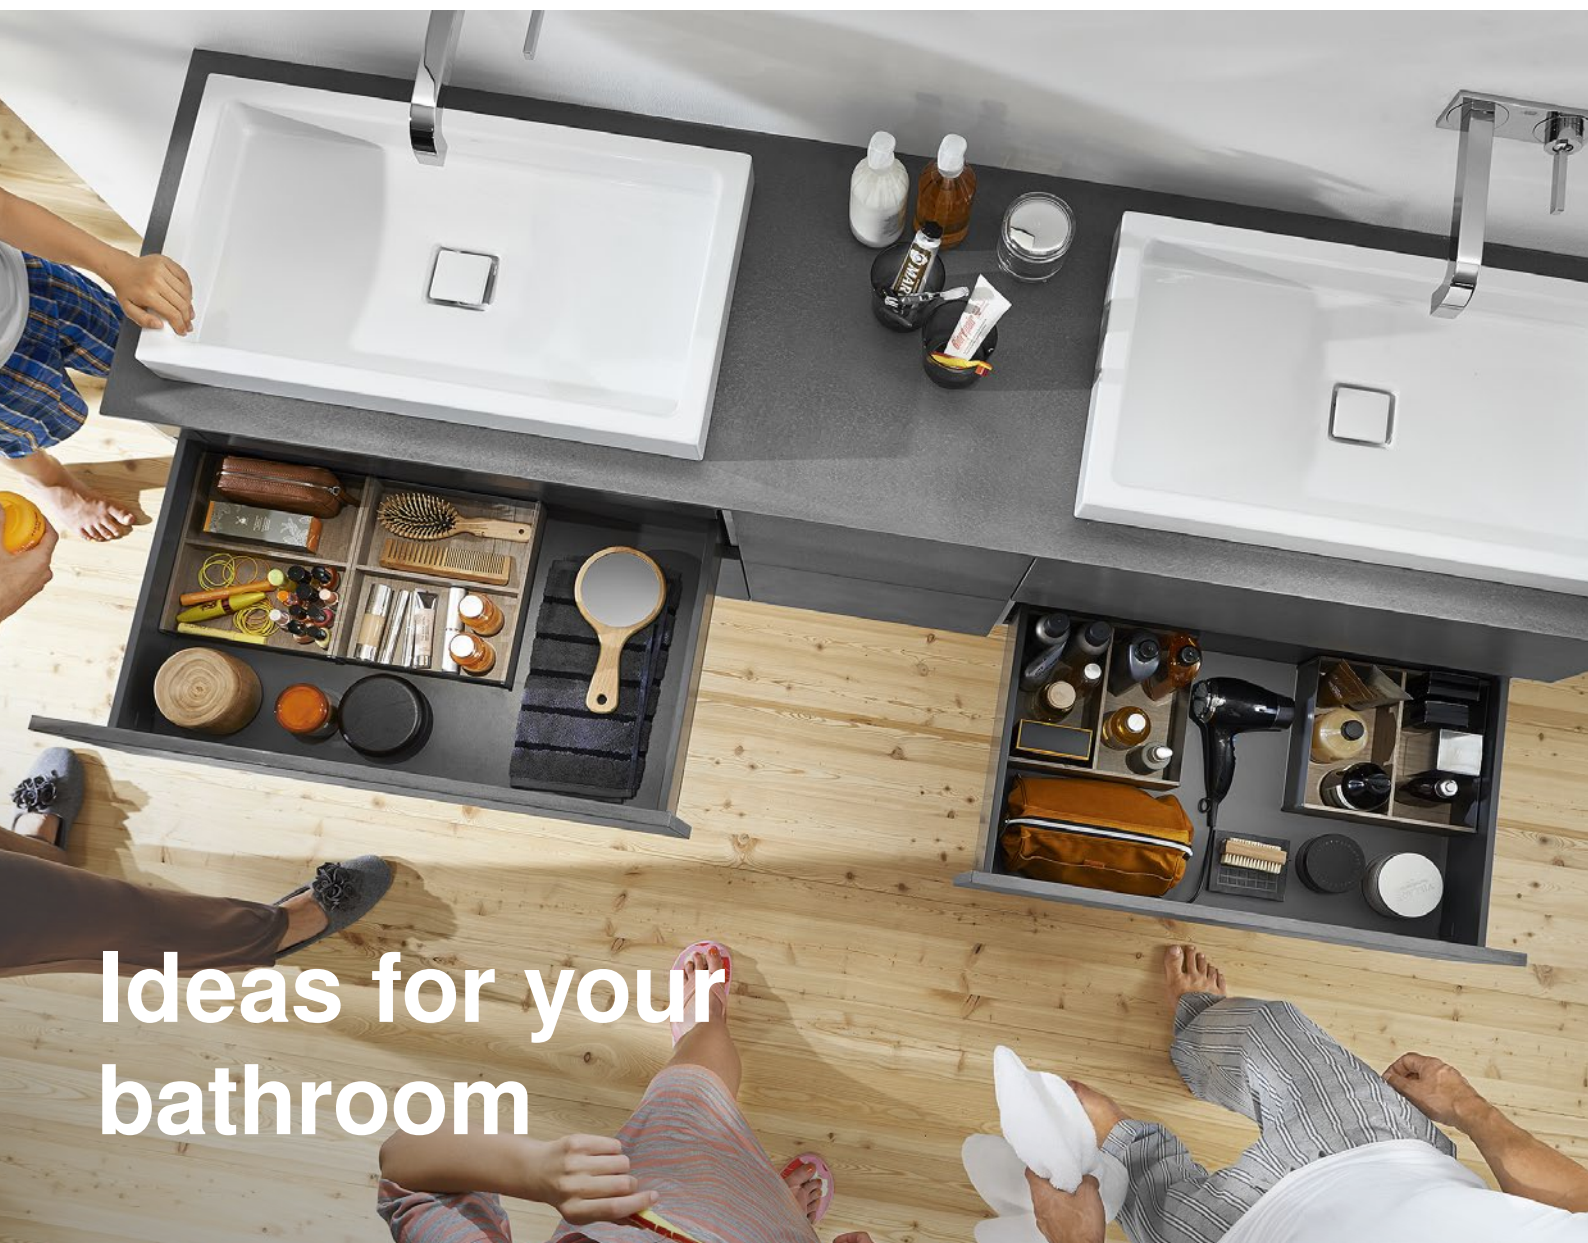

AMBIA-LINE spice holder

- The spice holder securely holds containers of all shapes and sizes.
- They are held at an angle so you can easily read the labels: pepper, cinnamon, coriander, etc.

Steel design
Silk white matt

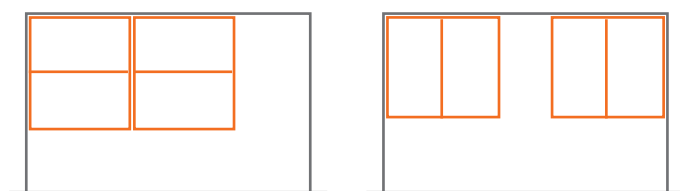

Ideas for your bathroom

AMBIA-LINE for all your bathroom accessories

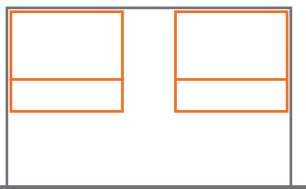

- Tidy interiors turn your bathroom into an organised space you'll love to spend time in.
- The durable frames are resistant to high humidity.

Wood design
Nebraska oak

AMBIA-LINE for cosmetics

- All your beauty products are visible at a glance.
- The frame securely holds even the smallest items and ensures they are always to hand.

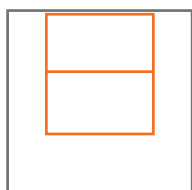

Steel design
Silk white matt

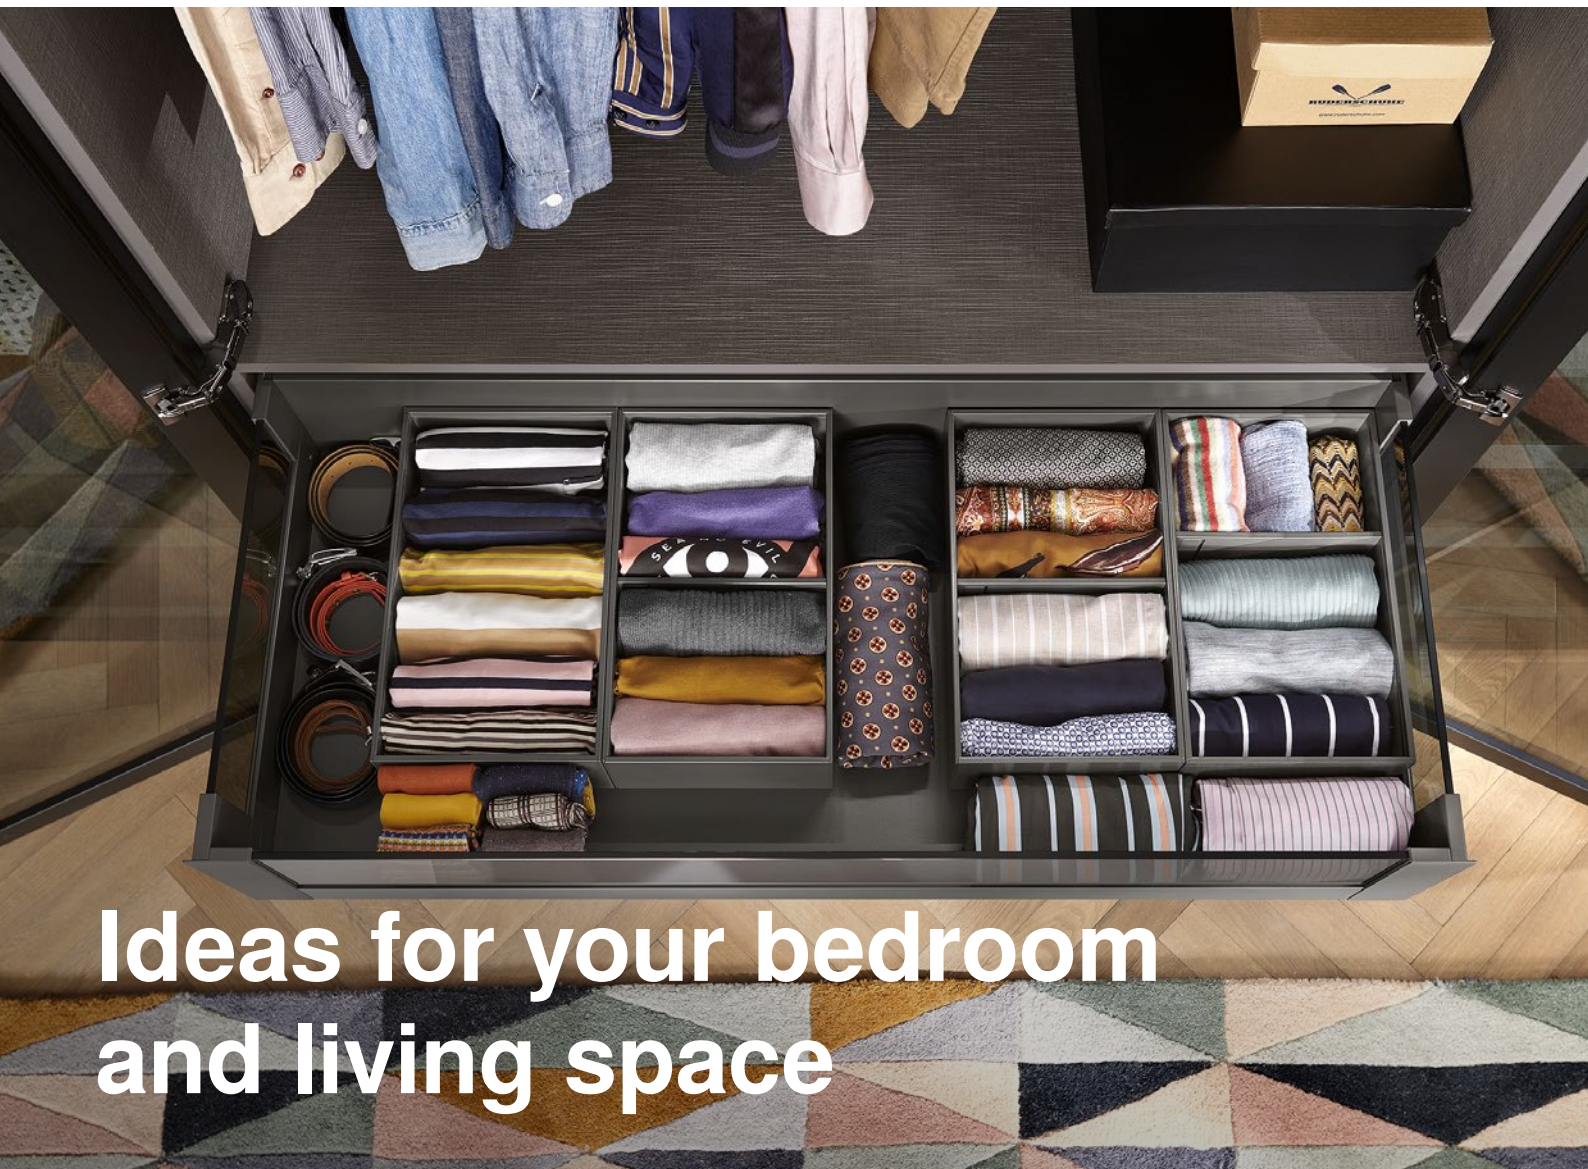

AMBIA-LINE for personal care products

- Towels, lotions and perfumes are kept tidy and in place.
- The frames can easily be cleaned with a damp cloth.

Steel design
Silk white matt

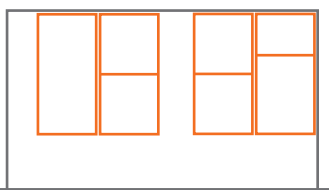

Ideas for your bedroom and living space

AMBIA-LINE for clothing

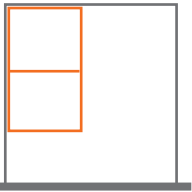

- These frames keep everything neat and tidy – be it T-shirts, belts or socks.
- Combine your perfect outfit in no time thanks to beautifully organised interiors.

Steel design
Orion grey matt

AMBIA-LINE for baby essentials

- Nappies, wipes and powder are within easy reach so you won't have to leave your baby unattended for a second.
- Everything is exactly where it should be, even tiny baby socks.

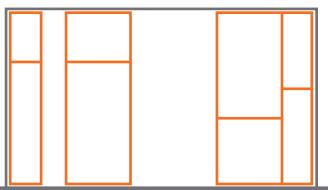

Wood design
Bardolino oak

AMBIA-LINE for accessories

- Silk scarves, gloves and jewellery are elegantly presented.
- Matching accessories are to hand in seconds.

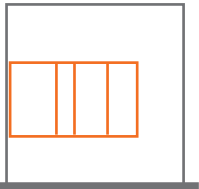

Wood design
Nebraska oak

AMBIA-LINE for sewing and craft accessories

- Position frames as desired and create your personal sewing box.
- Well organised interiors, down to the last thread.

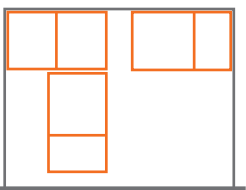

Wood design
Bardolino oak

AMBIA-LINE for toys

- Tidying up is child's play.
- The frames are designed for easy cleaning so no worries if the Cookie Monster leaves crumbs behind.

Wood design
Nebraska oak

AMBIA-LINE for home décor items

- The frames beautifully organise vases and candle holders of all shapes and sizes.
- Delicate and fragile items are kept secure and safe.

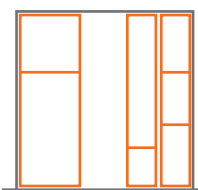

Steel design
Carbon black matt

AMBIA-LINE for office stationery

- Beautifully organised interiors make it easier to focus on work.
- The stress reducing chocolate stash is immediately to hand.

A warm, modern kitchen scene. In the foreground, a young girl with blonde hair sits on a black wooden stool, looking towards the kitchen island. The island has a thick wooden countertop and a light-colored cabinet base. On the counter, there are various kitchen items: a blue pitcher, a bowl, a small white dog figurine, and some jars. A man with dark hair, wearing a striped t-shirt and dark pants, stands behind the island, smiling and holding a small pot. He appears to be cooking. The kitchen has large windows with dark frames, letting in bright sunlight. The floor is made of light-colored wood in a herringbone pattern. In the background, there is a dining table with a round top and several chairs, some with blue seats. The walls are decorated with framed pictures and a large tapestry. The overall atmosphere is bright and inviting.

moving ideas

We believe that ideas can move the world. We offer innovative fittings, inspiring furniture concepts and appropriate services so that you can turn your creative ideas into reality. We are driven by your needs, international trends and our shared vision of a better quality of living. Let us work together to create moving ideas.

Quality of living

We would like you to enjoy greater convenience and functionality when using furniture.

Product range

Everything from a single source: our wide range of products allows you to keep up with today's and tomorrow's trends.

Inspiration

We monitor global trends and strive to create the solutions of tomorrow. We like to share our insights with you.

Innovation

We stay in motion. Curiosity and pioneering spirit drive us to develop new products and services for you.

Services

We support your daily operations with customised services tailored to your processes.

Quality

We continuously strive to improve our products, services and ourselves.

Trust

We take responsibility for partnerships, our employees, society and the environment.

Julius Blum started our journey in 1952 with horseshoe studs. Today we supply innovative fittings to customers in over 120 countries.
