Blum's practical solutions for your home

Kitchens that are fit for everyday use are not only beautiful but also practical.

They have the following features:

- Efficient workflow (ergonomics)
- Optimum space utilisation (storage space)
- Enhanced convenience (motion)
- Freedom for your ideas (design)

Blum Inspirations offers ideas for practical solutions. Well-designed products such as ORGA-LINE or clever cabinet solutions such as the SPACE TOWER larder unit or the SPACE CORNER cabinet bring functionality to every kitchen. Blum's expertise can come in useful right from the planning stage.

Ergonomics

Everything is easy to access and clearly organised.

Storage space

Make full use of the storage space available.

Motion

It's easy to open and close furniture.

Design

Turn your creative ideas into reality.

Find out more about the Product Configurator at:
www.blum.com/productconfigurator

Online configuration – quick and easy

Our online services will help you keep an overview of ORGA-LINE and matching kitchen accessories.

Use a web browser of your choice and access ORGA-LINE online 24/7 for quick and easy personalised configuration options.

Your advantages at a glance:

- Intuitive interface – quick and easy
- Online availability 24/7
- Product solutions and assembly information that are always up to date
- Correct, error-free results – tested by Blum

For drawers with utensil dividers and containers

For pull-outs with lateral and cross dividers

Complemented by practical ORGA-LINE kitchen accessories

Overview of ORGA-LINE sets

Blum offers practical inner dividing systems for drawers for every type of storage item. ORGA-LINE sets with high-quality stainless steel trays and/or utensil dividers are available in all nominal lengths from 450 to 650 mm. We have the right applications for any drawer width so that you can beautifully organise interiors and effortlessly see every single item.

Practical dividers

High-quality, hygienic stainless steel trays keep cutlery and other items nice and tidy. The containers can be removed individually and are dishwasher safe.

Adjustable utensil dividers

ORGA-LINE allows you to beautifully organise storage items of every shape and size. The utensil dividers can be positioned flexibly to suit your needs.

Individual sets

Combine different sets and tailor interiors to meet your requirements.

Combo sets

These sets are a combination of utensil dividers and containers and are not only practical for kitchens, but for furniture throughout the home.

Practical flexibility

ORGA-LINE containers, lateral and cross dividers can be flexibly arranged to suit storage items. Whatever the contents, ORGA-LINE tidies up drawers and allows you to make full use of the storage space available. The system can be adapted at any time to accommodate more items, such as pots or dinnerware.

Practical visibility

ORGA-LINE gives you clear visibility of contents and ensures that large items are held securely. Everything at a glance: ORGA-LINE delivers organisation and easy access to every single item. And should guests want to help with the cooking, the right spice is immediately to hand.

Practical hygiene

Children's sticky fingers leave marks. Sounds familiar? No problem with ORGA-LINE. The high-quality stainless steel containers can be easily cleaned without damaging the material. They're even designed for dishwasher use. That is Blum quality – for the lifetime of the furniture.

Practical expandability

ORGA-LINE kitchen accessories make kitchen chores easier and organise interiors. The film/foil dispenser and knife, spice and plate holders ensure that everything is exactly where it should be – be it in the kitchen or at a garden buffet. And they can be quickly cleared away when you're done.

Description

- ### Space requirement
- 
- The diagram illustrates a 3D perspective view of a cabinet drawer. Three dimensions are labeled with dashed lines and arrows: KB (Cabinet width) across the top, LW (Internal cabinet width) across the front, and NL (Nominal length) along the side.
- | | |
|----|------------------------|
| KB | Cabinet width |
| LW | Internal cabinet width |
| NL | Nominal length |

Dividing wall

A technical line drawing of a dividing wall assembly. It shows a vertical wall section with a horizontal pull-out element. The pull-out element is shown in a partially extended position, with a small arrow indicating its direction of movement. The wall is represented by two parallel vertical lines, and the pull-out element is a horizontal bar with a small circular detail at its base.

moving ideas

We believe that ideas can move the world. We offer innovative fittings, inspiring furniture concepts and appropriate services so that you can turn your creative ideas into reality. We are driven by your needs, international trends and our shared vision of a better quality of living. Let us work together to create moving ideas.

Quality of living

We would like you to enjoy greater convenience and functionality when using furniture.

Product range

Everything from a single source: our wide range of products allows you to keep up with today's and tomorrow's trends.

Inspiration

We monitor global trends and strive to create the solutions of tomorrow. We like to share our insights with you.

Innovation

We stay in motion. Curiosity and pioneering spirit drive us to develop new products and services for you.

Services

We support your daily operations with customised services tailored to your processes.

Quality

We continuously strive to improve our products, services and ourselves.

Trust

We take responsibility for partnerships, our employees, society and the environment.

Julius Blum started our journey in 1952 with horseshoe studs. Today we supply innovative fittings to customers in over 120 countries.
