

M BLUMOTION 105°

Tailored to your processes

M BLUMOTION 105° – or standard applications with integrated soft-close mechanism in all living areas

M BLUMOTION 105° impresses thanks to a simplified assembly process from ordering right through to front adjustment when installing the furniture. It closes doors softly and effortlessly, and can be used for a wide variety of customer requirements in all living areas.

The advantages at a glance

Small installation size thanks to the BLUMOTION soft-close mechanism integrated into the hinge boss

The pre-mounted mounting plate saves you assembly time

3-dimensional front adjustment

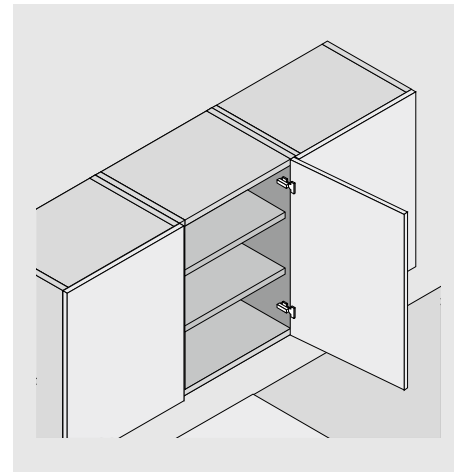

The simple design of the M BLUMOTION discreetly complements a variety of furniture with front thicknesses of up to approx. 24 mm

- M BLUMOTION 105° with integrated BLUMOTION soft-close mechanism
- M 105° with or without closing mechanism (spring)
- Pre-mounted mounting plate
- 105° opening angle
- 3-dimensional front adjustment
- Integrated pull-out stop
- Optional additional mounting plate fixing position
